Dharwar. 15th January 1949.

To

The Secretary to Government,
Public Works Department,
B O M B A Y .

Subject: Appointment of a whole time sweeper.

2. Even since the opening of Ghataprabha Left Bank - Canal Division on 8-7-1948, and two Sub-Divisions, thereafter, the staff in these offices, both indoor and outdoor, is --- , increasing and the newly constructed hutments and the quarters already existing have been occupied. The Dhupdal Bungalow, as well, is being frequently visited by the officers of this - Department, resulting in increase in the population on the - site. To avoid inconvenience as also in the interest of --- sanitation, the services of a whole time sweeper were absolut--ely found essential and one sweeper was appointed to that - post, by the Executive Engineer, Ghataprabha Left Bank Canal Dn. on a monthly pay of Rs.30/- plus dearness allowance of - Rs.25/- P.M. with effect from 29-5-1948 (B.N)., the date from which the sweeper is appointed as whole time servant. The pay and allowances are in accordance with Government Resolution Fiance Department, No.6567/33 dated 3-2-1948.

3. The proportionate debit proposed to be given in - the ratio 1/4th and 3/4th is as detailed below :-

1) C.R.to the Inspection Bungalow at Dhupdà. Rs.13-12-0.

2) Establishment contingencies. Rs.41- 4-0.

4. The monthly debit of Rs.13-12-0 will be met from the C.R.grant of the Inspection Bungalow Dhupdal and it is request--ed that Government may kindly be moved to sanction the --- remaining payment of Rs.41-4-0 P.M. against the Establishment Contingencies of the Ghataprabha Left Bank Canal Division, as required by rule 86 of the Financial Publication under --- Devolution Rule 37(e) on the subject of recurring contingenci--es.

Superintending Engineer,

Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar, 21st February 1949.

To :-

The Secretary to Government,
Public Works Department, Bombay.

Subject:- Appointment of a sweeper for the office of the Superintending Engineer, Karnatak Irrigation Circle, at Dharwar.

Ever since the occupation of the Railway Agent's bungalow by the office of the Superintending Engineer, Karnatak Irrigation Circle, necessity of a sweeper was felt. The Municipal Borough, Dharwar, is recovering only the house tax of the building from the Railway Authorities. Taxes on account of general or special water and sanitary cess are not recovered on this account as it does not look to these arrangements. A part time sweeper is maintained from the 28th December 1948 against the establishment contingencies of this office at a monthly rate of Rs.8/- p.m. for the present temporarily under rule 86 of Financial Publication under Devolution Rule No.37(e). But the services of a whole time sweeper would be necessary for the following offices at a monthly pay of Rs.30/- p.m. plus Rs.25/- Dearness allowance :-

S.No.	Name of offices and duties of sweeper.	Amount chargeable as pay & D.A.	Total amount chargeable.
1.	(a) Office of the Superintending Engineer, Karnatak Irrigation Circle (Railway Family Quarters with its very extensive compound & approaches) Cleaning		

P.T.O.

	Cleaning latrines and urinals and sweeping compound.	Rs.8 + 7/-	= Rs.15/-
(b)	Office of the Deputy Engineer, Reconnaissance Irrigation Projects Sub-Division (-do-)	Rs.6 + 4	= Rs.10/-
2.	Office of the Executive Engineer, Irrigation Projects Division(South) (Hulkoti's Bungalow, Malmaddi) Sweeping compound and urinals.	Rs.8 + 7	= Rs.15/-
3.	-do- Soil Physicist, Koppalkar's Building, -do- -do-	Rs.8 + 7	= Rs.15/-
	Total	Rs.30+ 25	= Rs.55/-

For S.Nos.2 and 3 there is municipal arrangement for cleaning latrines. But the services of a sweeper for these buildings are essential for cleaning urinals and sweeping their compounds so as to keep them in a sanitary condition, neat and tidy.

EBS 26/2/1941.

2. Government may, therefore, please be moved to accord sanction for the recurring expenditure of Rs.55/- p.m. the pay and dearness allowance of a full time sweeper, as required by rule 86 of the Financial Publication under Devolution rule 37(e). The pay proposed is within the prescribed scale, vide schedule A of G.R.,P.W.D., No.6567/33 dated 3-2-48 under P.W.D.

P.W.D. 1190/7

Serial No. 1420

3. The expenditure on account of the full time sweeper will be met from the contingencies of the offices of this Circle at Dharwar as shown above, at present, and the necessary provision will be made against the temporary establishment in due course, on obtaining sanction of Government to the same.

No.G-49

Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar, 24th March 1949.

To

The Secretary to Government,
Public Works Department, Bombay.

Subject:- Appointment of store establishment at Belgaum by the Executive Engineer, Ghataprabha Left Bank Canal Dn., Dhupdal.

The Executive Engineer, Ghataprabha Left Bank Canal Division, Dhupdal, reports that in the interest of the large construction work of the Ghataprabha Left Bank Canal, which is now taken in hand for execution, he finds the necessity of keeping some store establishment at Belgaum i.e. one store - clerk in the grade of Rs.46-3-85-4-105 with cycle allowance of Rs.4/- p.m. and a store coolie in the grade of Rs.30-1/2-35, in addition to the establishment already proposed in the statement of new items accompanying this office letter No.G-19 dated the 13th October 1948. The Executive Engineer also - reports that he needs a small office with some accommodation for store and a garage at Belgaum for keeping a truck on jeep which has to be sent there so often. The following reasons are furnished by him in support of the above proposal :-

1) Dhupdal being an out of the way place, even ordinary building materials and petty items of stores have to be purchased at Belgaum, the nearest town to Dhupdal, after obtaining competitive quotations of rates. It is necessary to keep in contact with different offices at Belgaum for facilitating disposal of several routine - matters and also to obtain copies of several Government orders to dispose of current cases of correspondence on stores etc.

2) Correspondence ~~made alone~~ by staff especially for obtaining competitive quotations of rates and making petty purchases etc. is a delayed process and the results thereof are not satisfactory. Articles of Tools and Plant are required to be taken to Belgaum occasionally for getting them repaired. Personal visit of store clerk is essential to quick disposal & results.

3) Even though a sufficiently large stock is kept at Dhupdal to have the usual requirements of the Division and a work-shop is maintained for repairs to Tools and Plant and Machinery, frequent visits to Belgaum have to be made in the interest of many petty demands and cannot possibly be avoided.

4) A major portion of time of the office staff is spent in going to Belgaum and return back to Dhupdal on Government duty for matters like handing over of cheques for payment to the suppliers and obtaining receipts from them, with the result that the office work suffers heavily. This is apart from the expenditure incurred on account of Travelling allowance and daily allowance of staff on the above. A statement showing the number of trips performed for Government work between Dhupdal and Belgaum and the expenses incurred thereon during December 1948 is enclosed herewith for the information of Government.

2. I agree with the Executive Engineer. It is, therefore, requested that under the circumstances stated, Government may kindly be moved to sanction immediately the appointment of a store clerk and a store coolie on the regular temporary establishment in the scales as proposed above and to hire a small store house for office with a garage for keeping a jeep or a truck at Belgaum, the latter say at a recurring monthly expenditure of Rs.30/- to 50/- P.M. by debit to Establishment contingencies of that division, and the same communicated to the Executive Engineer direct under intimation to this office as early as possible.

3. Pending receipt of sanction to the appointment of the establishment and for recurring expenditure of hiring a store house for office and garage as pointed above, permission is given to the Executive Engineer, Ghataprabha Left Bank Canal Division for engaging the establishment and to hire the said premises by debit to the work conderned i.e. to "Stock", work, or Tools and Plant etc, so that no time may be lost for keeping up progress on the construction work of the big scheme of the Ghataprabha Valley now in starting.

Subject: Inspection bungalow at Jodhatti-
Chowkidar for the.

The Inspection Bungalow at Jodhatti was transferred from the Belgaum Division in the Southern Circle to the Ghataprabha Left Bank Canal Division in this Circle under Government (P.W.D.)letter No. 921/48-W, dated the 29th June 1949 for maintenance and the Executive Engineer, Ghataprabha Left Bank Canal Divisi n accordingly has taken charge of the Bungalow from 10-8-1949. The Executive Engineer, how reports that a post of a chowkidar for the Inspection bungalow at Jodhatti was not previously sanctioned by Government and it is understood that the mazdoor engaged on Muster Roll for maintenance of road near the bungalow was looking to the duties of the Chowkidar also prior to its transfer from the Belgaum Division.

* will be put-up if req'd.

2. Now that the construction of Ghataprabha Left Bank Canal is in full swing, the bungalow requires to be frequently occupied by officers in this Circle, the necessity of a full-time chowkidar is keenly felt. The bungalow in question is a Ist class bungalow furnished with furniture and crockery and as such engaging the services of a chowkidar would be justifiable.

3. Under the circumstances it is requested that Government may kindly be moved to sanction the post of a Chowkidar for the Inspection Bungalow at Jodhatti in the scale of Rs. 30-1/2-35 on temporary Establishment at an early date.
